

AMENDMENTS TO THE SPECIFICATION

Please replace the translation of the application with the attached substitute specification and use the substitute specification for examination purposes. A marked up version of the substitute specification is also attached showing all changes made to the translation. Since this substitute specification is being submitted voluntarily, no amendments to the claims are made therein. Rather, amendments to the claims are made in this preliminary amendment. In accordance with 37 CFR 1.125(b)(1), no new matter is added.
